Financial Counselling

Financial Counselling provides free, independent and confidential support for people experiencing financial difficulties such as struggling to buy food; paying rent or mortgage and juggling numerous debts, to develop the skills, knowledge and confidence to take control of their own financial situation.

Who do we support

We support individuals and their families affected by gambling and experiencing financial stress, who reside in the Blacktown local government areas.

What do we provide

Our Financial Counsellors can assist you to:

- prepare a budget to provide clear understanding of your financial situation
- develop a plan to address your immediate crisis
- understand your credit & debt issues
- identify options to deal with your debts including information on benefits/rebates
- explore strategies to reduce harm from gambling including protecting family assets
- negotiate with your creditors
- obtain information about insolvency and bankruptcy
- connect you to other specialised services

What we do not provide

Financial Counsellors are not legal advisors; mortgage brokers; financial planners; investment advisors; tax accountants or money lenders.

Where we are

- Blacktown
- Parramatta

We also provide counselling via online & phone.
