Catholic Care Western Sydney and the Blue Mountains (CCWSBM) is a not-for-profit organisation, and our goal is to make support as accessible as possible to everyone. Government funding helps us keep fees low, and therefore we offer two different fees for those receiving an income and those who are either unemployed and/or experiencing financial hardship for various reasons.

Please note: As our counselling services are subsidised, fees aren't eligible for Medicare or private health rebates.

If a third party (such as an employer) is covering the session cost, the full-fee cost (non-concession fee) applies.

Cancellation Fee Policy

We often have waitlists, so cancelling late means someone else misses out and our staffing resources are not utilised.

If you need to cancel or reschedule your appointment, please let us know at least **24 hours** in advance (where possible).

Cancellation fees are charged as follows: Less than 24 hours notice: **50% of the session fee.**

Management can waive or reduce cancellation fees in various circumstances, therefore please contact us to discuss your individual circumstance and/or to re-schedule your appointment.
